

First Aid at Work (HSE) Approved

3- Days

We are able to offer a full Health and Safety Executive approved First Aid at Work course, in accordance with the Health and Safety (First Aid) Regulations 1981.

Once qualified, holders of this certificate can be used as First Aiders in the Workplace in accordance with the Health and Safety at Work Act 1974.

This course can be adapted to suit a particular audience i.e. clerical or engineering staff. The course is run over three days and includes both theory and practical sessions.

Content of FAW course
